**To UEMS, European Board of Psychiatry**

**Swedish Psychiatric Associations, SPF, statement to the referred document  
“European framework for competencies in Psychiatry”**

The document has thoroughly been discussed at the SPF’s Educational Board as well as the SPF’s Board of Officers. The document follows the intentions of UEMS as well as the SPF’s conception regarding a framework for Competence Based Training and is well in line with the Swedish training scheme when it comes to competencies and assessment methods.

Swedish Psychiatric Association approve of the document without any further amendments or comments.

Dr Lise Lotte Risö Bergerlind

President  
Swedish Psychiatric Association
